**eni to provide integrated benefits solution to Evangelical Community Hospital Patients.**

**Vestal, NY – Employee Network Inc. (eni)**, the leader in benefit integration solutions announced its recent partnership with Evangelical Community Hospital located in Lewisburg, PA. This new partnership will introduce **eni's** integrated benefits solution as a means of assisting Evangelical cancer patients and their families in the Survivorship Assistance Program.

The Survivorship Assistance Program exists to enrich, empower, and embrace the lives of those living with cancer, as well as the families that love and support them. With more than 12 million Americans living with a history of cancer, Evangelical Community Hospital's Survivorship Assistance Program is geared to help patients before, during, and after the active phase of cancer treatment. The program provides coping support as well as activities geared towards fun, to embrace the importance of overall wellness, both physically and emotionally.

This new partnership with **eni** will bring an added level of service to the program by providing additional emotional and overall wellbeing support to both the patient, and their family. This includes **eni's** PA (Personal Assistant) service, which will provide patients with support for legal and financial concerns, child and elder care needs, transportation and lodging, and personal task assistance. Additionally, the service includes **eni's** Health Advocacy services, helping patients navigate the sometimes confusing aspects of healthcare as it relates to their treatment. Patients and their families can access **eni's** service through a 24/7 confidential line, as well as a Web Portal.

Through this innovative and integrated partnership, Evangelical Community Hospital and **eni** are able to provide a greater network of support for the Survivorship Assistance Program's patients and their loved ones by delivering the highest level of service day or night, 365 days-a-year, and ultimately saving patients valuable time as they overcome their newly found challenges.

Gene Raymondi, founder and Chief Executive Officer of **eni** commented, "We are very proud to enter this partnership with Evangelical Community Hospital and support this very important endeavor. No segment of society is immune from the effects of this disease and the toll it takes on all those involved. It is our honor to act as an extension of the Survivorship Assistance Program team and provide this added level of service to their patients and their families."

Dynamic Solutions. Genuine Relationships.
