HELP YOUR MEMBERS FEEL BETTER FASTER

- **Real-time exams** with U.S. licensed medical providers.
- **Prescriptions** when medically necessary.
- **24/7/365** exams online, by app, or by phone.
- **Save time and money** by avoiding expensive urgent care or ER visits.

HOW IT WORKS

REAL SIMPLE ACCESS TO CARE

REQUEST AN EXAM

A patient in need of treatment can request an exam 24/7/365 securely via web, app or phone.

VISIT WITH PROVIDER

A medical provider reviews the patient's history and conducts an exam.

RECEIVE TREATMENT

Patient receives Care Instructions; if medically necessary, prescription is sent to a local pharmacy.

FEEL BETTER FASTER

94% of patients are successfully treated via MeMD.

MeMD has had a **profound effect** on the level of care and convenience for our clients. MeMD not only helps our clients reduce costs in the healthcare, but the **Account Management team was extremely supportive during implementation.**

We know that ONE SOLUTION DOESN'T FIT ALL.

That's why we work with you to zero in on your goals to provide a specialized solution that will engage your members and result in desired outcomes.

- Real-time eligibility
- Tailored engagement marketing
- PEP, PMP, or subsidy-based visit fee structures
- Custom API integrations
- Flexible implementation timeline

Whether you are looking for a standard or customized telehealth solution, MeMD offers you the flexibility to decide what works best for you and your members. Our goal is to provide you with a real experience that lasts the lifetime of our partnership.

"MeMD is the best vendor partner we work with! [Your team] is so responsive and your reporting/IT Department is extremely helpful with all of our odd requests. **You guys are the best!**"
