Prospective Providers,

Thank you for your interest in joining the **eni** EAP provider network. **eni** EAP also offers, phone, and video counseling to our clients so let us know if you are interested in providing these services as well.

Please feel free to contact us with any questions that you may have. Send in the completed application along with a copy of your professional license, liability insurance, and a completed W9. Please note that if you are applying as a facility, and billing as such, you only need to complete one application. This will cover all providers working under your facility. We will just need you to provide a roster of their names so that we can add them to our system under your facility.

We look forward to working with you in the future.

Sincerely,
The **eni** Provider Network Team

Carla Harrelson
Provider Relations Coordinator
